Oran

Design – Mark Gabbertas

Designed to complement the soft appearance of the modular sofa system, the Oran table collection works well in both workplace and hospitality environments. The range includes a variety of top sizes to choose from, all carried by a minimal powder coated Aluminum frame and cast Aluminum corner leg. When used in combination with the seating units, the system allows for the creation of an infinite number of configurations.

Non-Stock Table Top
Information Ordering
Instructions:

In addition to Allermuir's standard graded-in table top finishes, non-stock laminates and solid surfaces are available.

Please contact US Customer Service to confirm availability and to request pricing.
Phone (419)887.5806
Toll free (888)887.5806

The full product specification is needed at the time of your call including the manufacturer's name, pattern name, product number and finish.

We may require a sample to be mailed to our corporate headquarters to ensure the material meets our quality standards. Allermuir reserves the right to reject any non-stock top material that, in Allermuir's opinion, is unsuitable for application.

Samples can be sent to:
Allermuir
