**Allermuir** *Part of* **The Senator Group**

The Senator Group is the glue that unites all the individual product brands together with exceptional people, service, and unrivalled manufacturing capability.

The Senator Group and its house of brands has grown into one of the largest office furniture manufacturers in the world, remaining an independent, family-owned business meaning attention to detail, integrity, investment in people, and passion for design.

Rather than outsource manufacturing and face the inevitable compromises of oversight and agility that entails, we’ve continued to invest in highly capable and adaptable production technology. Trusting everything to our own skilled people and keeping our own technology cutting edge is The Senator Group’s secret to quality.
