

Aura Lounge

Design by Patrick Norguet

Designed by Patrick Norguet, the Aura Sofa Collection embodies quiet luxury and refined comfort. Its modular design and soft sculptural lines allow it to flow effortlessly, adapting to your space and vision. Available in both Lounge and Dining versions, Aura offers flexibility in

experience. The Dining option provides a more upright seating posture, inspired by the classic banquette style found in Parisian cafés and restaurants where Patrick found his inspiration.

Design Patrick Norguet

An icon of French Design, Patrick Norguet draws inspiration from the world around us. He designs products whose relevance and modernity withstand the test of time. Patrick Norguet's design background in the fashion world has helped create the ideal union between fashion, design

and a renowned "French touch" across his industrial design and interior design projects. In 2000 he opened his personal design office and was awarded "Designer of the Year" in 2005. Some of his works are part of permanent museum collections such as the Museum of Modern Art in New York.
