The art of sitting

Aura Dining and Aura Lounge offer two distinct yet complementary seating experiences designed for versatility and comfort.

Aura Meet

Aura Dining features a compact footprint and upright support, making it ideal for active settings like dining or working.

Aura Lounge

Aura Lounge provides a deeper, more relaxed recline with contoured cushioning for a comfortable, controlled lounging experience — perfect for unwinding in style.

Contemporary dining or the modern workplace...

Aura Dining provides a more upright seating posture, inspired by the classic banquette seating style found in Parisian cafés and restaurants that deeply influenced Patrick's vision for Aura's detailing. Aura's vertical back enables it gracefully be positioned against any wall without the need for complex installation.
