

Aura Modular Lounge Sofa

Design by Patrick Norguet

Aura, a sophisticated sofa system designed by Patrick Norguet, embodies the essence of quiet luxury and refined comfort. Segmented in design, the collection offers a seemingly endless array

of configurations, allowing it to effortlessly blend into a variety of environments, from luxurious hospitality settings to modern office spaces and public areas. Featuring two distinct variations, Aura is

available as both a laid-back lounge sofa and a dining or work-height sit providing a more upright, functional alternative.

Design Patrick Norguet

An icon of French Design, Patrick Norguet draws inspiration from the world around us. He designs products whose relevance and modernity withstand the test of time. Patrick Norguet's design background in the fashion world has helped create the ideal union between fashion, design

and a renowned "French touch" across his industrial design and interior design projects. In 2000 he opened his personal design office and was awarded "Designer of the Year" in 2005. Some of his works are part of permanent museum collections such as the Museum of Modern Art in New York.
