CHEMISTRY MEETING TABLES

The Chemistry range of workstations creates a stylish yet flexible solution that improves productivity and facilitates diversity for individuals and teams. Chemistry can be configured as individual desks or as a bench solution that shares components, allowing for the integration of partitions that form touch down workstations or meeting spaces.

DESIGNER

Senator Design

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimise the impact on the world around us.

They come from all over the world, but are based in our Design Centre located in a quiet Lancashire village just outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test centre and prototyping lab.
