Floor fixings & wall fixings are supplied as standard on all Crate Divide units and must be used to secure the unit.

All prices listed in US \$

## to specify your storage...

1. Check the [Standard Features & Finishes](#) and select the [Model](#) you require
2. Select any [Optional Extras](#) or [Alternative Finishes](#) you require and add on any extra costs as shown per product
3. You now have the total cost and specification for [Your Storage](#)

When ordering please ensure that you send us all this information so we can correctly fulfill your requirements.

# Crate Divide – KD

Design – Allermuir

A cube based modular storage system with a prime function to act as a room divider. Create spaces using the modular design of Crate.

Components can be connected together in-line or at right angles to create different zones within existing spaces.

# Crate Divide - KD

Design - Allermuir

A cube based modular storage system with a prime function to act as a room divider. Create spaces using the modular design of Crate.

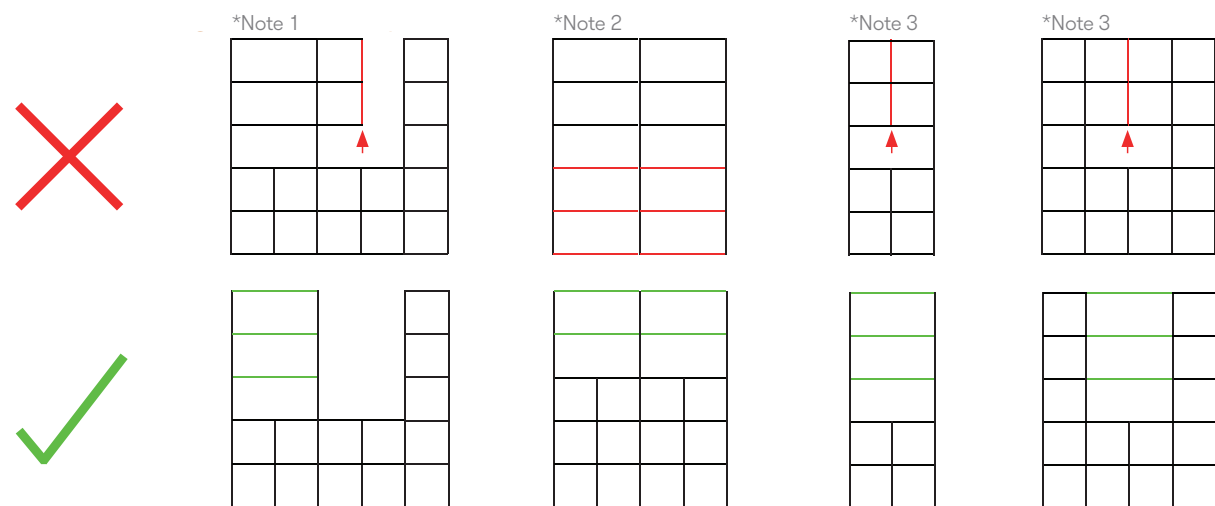

Pre-built components can be connected together in-line or at right angles to create different zones within existing spaces.

## Double Bay Typical 1
