

Furow

A new series of planters by Allermuir Design, Furow takes its inspiration from pleat formations and linear forms found in nature.

Furow makes adding plants to workplace and hospitality interiors easy.

Use the circular planter to create a focal point in otherwise awkward spaces and soften strong linear architecture. The mobile rectangular planter effortlessly divides zones and provides a mood-boosting lush backdrop.

Design by Allermuir

Available in two materials, oak tambour or powder coated pressed steel.
