

Kaya Executive - High Back

Created in response to workplace demand shifting away from complex, highly technical seating, Kaya is designed to be simple, flexible, and intuitive.

The Kaya Executive series offers enhanced comfort and ergonomic support with a generous seat width and multiple back height options. This comprehensive seating series features durable

Design by Pearson Lloyd

plywood shells wrapped in crisp, tailored upholstery, bringing comfort and versatility to every area of the office.

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning

solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
