

Mallow

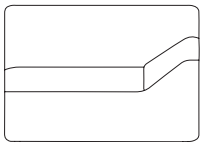

Mallow blends a nostalgic spirit with a modern edge, where comfort meets character. Its modular form and gently curved, sculptural lines echo vintage design while offering the freedom to shape spaces in a flexible, personal way.

A quilted layer brings generosity and warmth, balanced by a structured foundation that delivers presence while remaining adaptable and timeless. The soft topper is defined by rolled edges front and back, forming a natural beginning

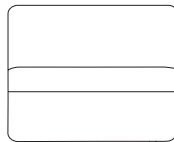

and end to the quilt while enhancing its sense of plushness.

The modular range is composed of middle, corner, and arm modules.

Design SmithMatthias

SmithMatthias was founded by Jack Smith and Gemma Matthias in 2014. The multi-disciplinary design studio applies a rigour and thoughtfulness to create soulful and impactful work. The studio is based in Brixton, a vibrant, bustling district of London.

Driven by the challenge to leave a positive footprint, SmithMatthias' philosophy takes

an exploratory and reductive approach by stripping a concept down to its barest essentials, considering all aspects of form and function and introducing richness through material and craft. Their creative partnership thrives on problem solving to reimagine products with intelligence, innovation and attention to detail.

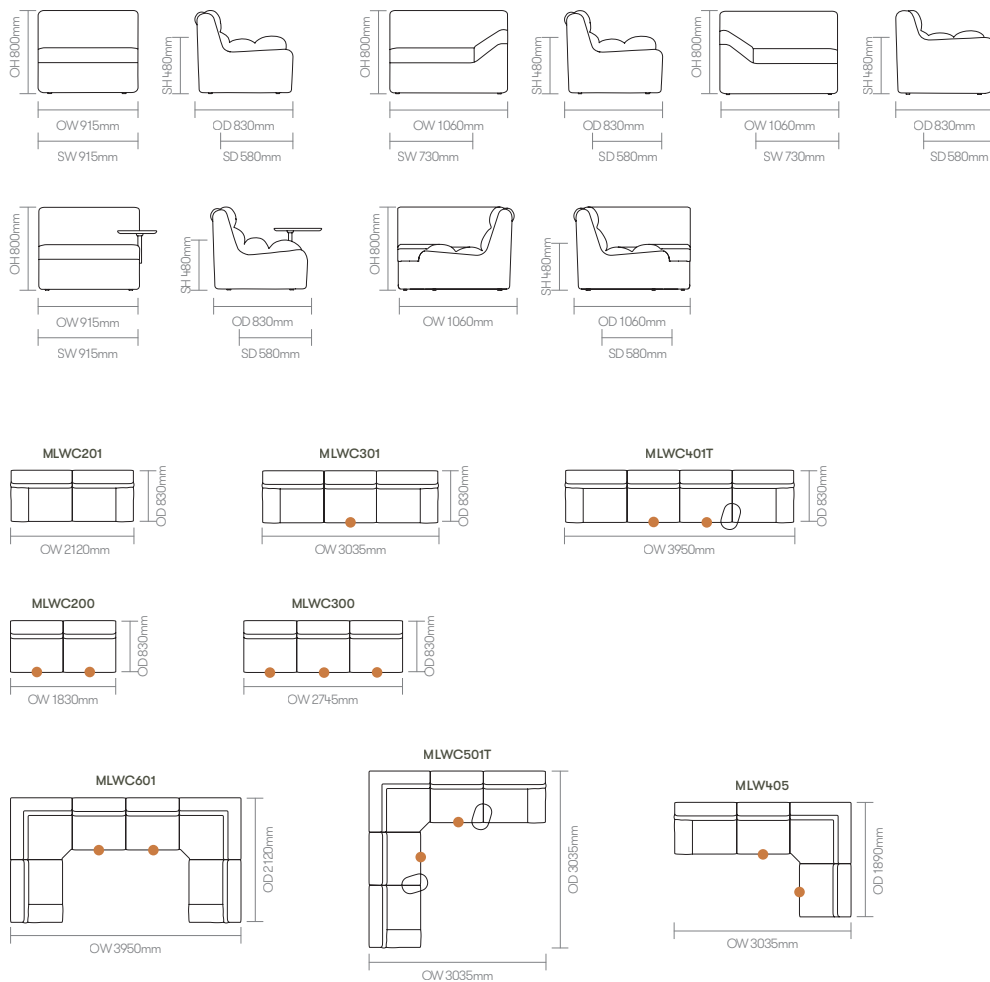

Standard Features

Traditional carcass construction
Sprung seat support
Supportive foam core cushioned
with super soft foam quilted top
Discreet under seat linking
Plastic self-leveling glides with felt
360° integrated rotating tablet with a
25mm laminate (edge 46) faced MDF core
top, can be mounted on left or right hand
side.

Optional Features

Multi-Fabrics
Central Sitting UK Power socket
with USB TUF charger A+C

Dimensions

● : Optional power locations

Tablet = 450mm(d) x 300mm(w) x 25mm(h)
