

Pinn

Design by Allermuir

Pinn is a lightweight, portable lamp designed to freely move around any space, providing dimmable atmospheric lighting for both social and work environments, indoors and outdoors.

Aluminium Topped Light

Design Allermuir

Our team of talented in house designers is responsible for creating elegant, innovative furniture designs that not only look beautiful, but minimize the impact on the world around us.

Constantly exploring new product trends and keeping up to date with the latest innovations in technology and materials, our design team creates world class designs of the highest quality.
