

## Lola Tables

Design by Wolfgang C. R. Mezger

Lola is a seductive, curving and shapely, yet strong and dependable collection. Designed as a contemporary, visually lighter alternative to the more linear forms typically used in corporate environments.

Providing excellent comfort, Lola is suitable for reception foyers and atria, or for relaxing in corporate lounges and breakout areas.

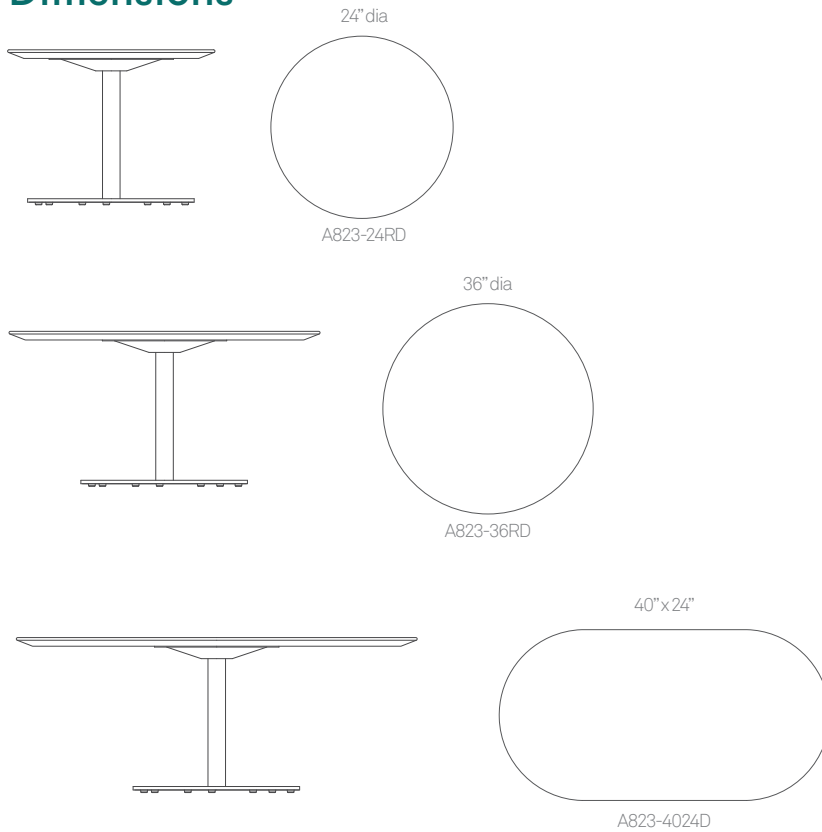

## Design

### Wolfgang C. R. Mezger

Wolfgang C.R. Mezger studied design at the Design School in Schwäbisch Gmünd, where he graduated in 1979. Mezger went onto to found his design studio in 1983 in Eisligen near Stuttgart and his studio is now based in the prestigious area of Göppingen, since moving in 2007.

Wolfgang's studio focuses heavily on the implementation into durable, functional and user-friendly products. Working for a host of international clients, Mezger has received more than 80 Design Awards to date.

## Dimensions
