

Bison

Design by Simon Pengelly

Bison is a highly stylish and distinctive tub chair with characterful broad shoulders and a compact footprint. The combination of a slightly higher seat and flat plane means this chair is equally at home around

a meeting table as it is in a more traditional lounge environment.

BN1

Design Simon Pengelly

British Designer Simon Pengelly founded London based Pengelly Design in 1993 after working for the Conran Design Group and the in-house design team of Habitat. Pengelly Design Ltd now collaborates

globally with the most progressive design-led companies working within the realm of transport and product design, lighting and interior design in addition to furniture design.
