

Tommo

Design by Mark Gabbertas

The contemporary and intelligent design of the Tommo range places it easily in a host of spaces within corporate and hospitality environments. The fully upholstered chair features slender upholstery styling and twin stitch seam

detail, complemented by a light and elegant tubular skid base.

Design
Mark Gabbertas

Mark Gabbertas is a furniture designer with a different perspective. After ten years in advertising, he trained and worked as a cabinet maker, before establishing the Gabbertas Studio in 2001. The intent is

to create character through simplicity via the rigorous pursuit of designs that have both an elegance and a lasting aesthetic... it is all too easy to shock, but much more difficult to please.
