

Famiglia

Design by PearsonLloyd

The Famiglia seating family includes a collection of low, mid, high back and lounge chairs that between them offer a choice of metal or wooden legs and 5 star bases.

These are complemented by a range of occasional and light work tables for informal or formal needs.

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997.

Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
