

Furow

A new series of planters by Allermuir Design, Furow takes its inspiration from pleat formations and linear forms found in nature.

Furow makes adding plants to workplace and hospitality interiors easy. Use the circular planter to create a focal point in otherwise awkward spaces and soften strong linear architecture. The mobile rectangular planter effortlessly divides

Design by Allermuir

zones and provides a mood-boosting lush backdrop

Available in two materials, oak tambour or powder coated pressed steel.

Design Allermuir

Our team of talented in house designers is responsible for creating elegant, innovative furniture designs that not only look beautiful, but minimise the impact on the world around us.

Constantly exploring new product trends and keeping up to date with the latest innovations in technology and materials, our design team creates world class designs of the highest quality.
