

Tested fabrics and leathers for;

## GRAINGER

Textiles are a critical component of our seating products. The following list is our graded-in collection of textiles that have been tested for use and intended to facilitate selection of textiles for Grainger.

Allermuir is pleased to accept COM selections, but they must be approved. Allermuir reserves the right to reject textiles to ensure that quality and construction are satisfactory for intended use. Once COM is approved, Allermuir assumes no responsibility for its overall appearance, durability, colorfastness, or any other quality issues after upholstered on an Allermuir product.

For additional approvals or if you have any questions please contact [sales@allermuir-usa.com](mailto:sales@allermuir-usa.com)
