Name	Premier
Style Number	K2294
Primary Use	Upholstery
Content	SiO™ silicone (face) 100%
Backing	Polyester knit
Weight	28 oz. per linear yard
Width	54 inches
Flame Resistance	California Technical Bulletin 117 - 2013 Section 1
Lightfastness	AATCC 16E, 400 hours, Class 4
Performance	Antimicrobial
Abrasion	200,000+ double rubs, Wyzenbeek method Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.
Maintenance	W-S: Clean with water or solvent based cleaning agent, or diluted household bleach
Custom	Some custom colors available with a minimum of 510 yards. Additional charges or lead times may be required.
Environmental	The low energy consumption production process is completely solvent free and uses no water. Free of added chemicals including flame retardants, BPA, TRIS, PFC'S, or PFOAs. Free of PBC, phthalates, formaldehyde, lead, or heavy metals. Non-toxic. Hypo Allergenic. Passes Living Building Red List, EC Reach, Prop 65, Cal 1350 - VOC emissions. HHI compliant. This fabric is certified Clean Air GOLD for low VOC emissions and may contribute to LEED®, WELL Building, and Living Building Challenge certification.
Note	SiO™ is medical performance grade silicone with enhanced resistance to puddling, scuffing, scratching and abrasive cleaners.
